Experience

Founder/Owner | Perilous Outdoors Co. | Austin, Tx (Jan 2017 - Present)

Founder and owner of Perilous Outdoors Company(POCO), a company focused on inventing and innovating gear to make the outdoors more convenient and accessible. The development of a rain jacket/pack cover combination inspired the inception of POCO.

- Spearheads editorial plans for content on the company website blog, external podcast(s), Instagram, and Facebook; by researching relevant articles to share, analyzing competitor content, and creating net new owned content.
- Records and edits video footage for content on the company YouTube channel, website, and social media platforms.
- Project managing the patent approval process with a hired legal team. Patent has been issued by the United States Patent And Trademark Office.
- Merchandises products for sale on the company website by creating plans consisting of social media communications, executing product photoshoots, and developing packaging designs.

- Art directed and project managed the creation of the jacket/pack promotional video, stop-motion clip, photoshoots, branding and logo development, and manufacturing of the prototype.

Zoologist | Dallas Zoo | Dallas, Tx (2018 - Present)

Converted a temporary zoologist position into a permanent position in the bird exhibit at the Dallas Zoo, home to over 400+ types of species and known for its conservation efforts

- Provide daily husbandry including, but not limited to cleaning, feeding, enrichment, record keeping to ensure overall health for 30+ bird species.
- Took part in animal observations, monitoring behaviors of birds with newly laid eggs to ensure parents were taking proper care of chicks and would intervene if deemed necessary.
- Hand-reared chicks and monitored incubation process, assisted in chick hatching, assisted in feeding, and assuring healthy growth.
- Participated in successful animal training, consisting of station training pelicans to allow keepers to get a visual assessment of body condition and trained monkeys to willingly accept needles for veterinary staff.

Sales Specialist | Lowe's Home Improvement | College Station, Tx (Feb 2017 - Oct 2017)

As a sales specialist in the tools department at Lowe's, I educated myself about the products available to better serve customers with a versatile set of needs

- Received employee of the month award for excelling in assisting customers, other associates, maintain cleanliness/tidiness in the department, etc.
- Frequently requested by management to fill in for other departments due to knowledge/familiarity of other sections when additional resources were needed.
- Regularly worked overtime when presented with the opportunity to help alleviate the team during busy seasons.

Internship | Perilous Printing | Austin, Tx (Apr 2016 - May 2016)

Obtained this internship to gain experience with small business operations.

- Managed fulfillment process consisting of inventory selection, production, and shipping logistics.
- Worked in concert with the owner in preparation for small business networking events (i.e. business card orders, flyers, and discussion topics).
- Collaborated on the product, price, and promotion opportunities based on the target audience.
